

INVESTING IN **KIDS** IS INVESTING IN **ALL OF US**

#EquityAllianceForLAsKids

Equity Alliance for LA's Kids

**Investing in our
highest needs
children is critical
to the future of
Los Angeles.**

**DYK: A \$1,000
increase in per student
spending leads to a
6.1% increase in
graduation rates for
low-income students.**

Who are the winners and losers?

There have always been winners and losers in LAUSD's budget. Historically it's been low-income students of color getting the short end of the stick.

The **Equity Alliance for LA's Kids** is looking to fix that problem.
